

MOTIVATION LETTER

Dear Sir or Madam:

With this letter, I would like to express my interest in studying at the University of XY as an Erasmus student.

I am currently studying Master's Degree programme in Regional Geography at the ABC University in London. Having looked through the materials of the Foreign Department of my university, I was very delighted to find the opportunity to spend one semester learning geography at the University of XY. I have decided to apply for this programme because I am sure it would strongly enrich my future studies and help me in my prospective career. Moreover I consider this programme as a great opportunity to get in touch with British culture and educational system. Last but not least, I am very curious about different approaches to the geography at the foreign university.

I have chosen to apply for University of XY, because I really like its module system of study. I specially appreciate the wide range of offered modules and the freedom in making your study plan. Many of the modules offered are unique for me, because there is no equivalent at my home university. Very important for me is also an "Excellent" rating for teaching of the Geography department and the overall friendly atmosphere at both the university as well as the city. The third main reason why I have chosen XY is its Urban and Regional Policy Research Institute. It specializes in interdisciplinary research on key regional and urban policy issues, which is the field of geography very familiar to me.

During my prior studies I have found out, that I would like to specialize in Urban and Transport Geography. The University of XY gives me a chance to get in touch with these subjects through modules from both Department of Geography and Department of Town and Regional Planning. In my last year at the ABC University I worked on an empirical study with main focus on transportation costs of suburbanisation and urban sprawl. I really liked my project and I am keen to continue in it. I would like to use my stay in XY for further developing my skills in empirical research and starting working on my diploma project. The possibilities that gives me University of XY further expand those at my home university. I would take modules focusing on Transport and Urban geography and European Studies.

I would very much like to spend one semester at the University of XY. This would give me a chance to deepen my geographical knowledge in the inspiring, creative, and cosmopolite environment of one of the largest British universities. Furthermore I could improve my English and increase my confidence in passing the TOEFL examinations after I return. Moreover, I am confident that my experience in London would be extremely exciting, fun, and valuable for both my studies and overall general development.

Thank you for considering my request. I look forward to your positive response.

Yours faithfully,
