Sr. Engineer

This is with reference to your advertisement in www.STUDYSHOOT.com for the subject position that I am prompted to propose my candidature.

I am a Power and Process Engineer with a Degree in Electrical from a reputed institution, contributed over 2 years of experience across power industries, I have keen interest in challenging assignments across world as Electrical Engineer (O &M). I am currently spearheading functions as Shift-Engineer at 220 KV Switch-Yard, M/s Techno-Power, Gujarat Pipavav-Port Ltd, Pipavav-Port, Dist.-Amreli.

A true team builder and natural motivation with strong analytical and problem-solving skills, richly awarded for my performance, I hold the responsibility of keeping my energy levels and performance standards up and high.

With strong back-up of academic credentials and professional accomplishments I seek professional realignment in Operation and Maintenance functions with an Organization of high repute.

A tour through my enclosed resume shall familiarize you with the details and I am confident in my credential you would find a perfect match for the said position.

Thanks in advance for sparing your time.

Shall much appreciate a call for an interview.

Regards,
